

PETIT VERDOT 2013

Varieties: 86% Petit Verdot, 14% Merlot
Bottled: March 26, 2015
Production: 296 cases
Alcohol Content: 13.8%

Wine Maker's Notes: Petit Verdot is the secret ingredient in many great wines. The firm, ripe tannins provide aging potential without being overly astringent. Recommended for red meats and hearty meals; best served at approximately 60 degrees Fahrenheit.

Aging and Fermentation: Classic eleven day fermentation on the skins with pump-overs daily followed by the traditional malolactic fermentation to soften the wine. Aged in French and American oak barrels.
